

Be There!

In the chapter called *Shipwreck*, Billy and Jodi discover pieces of the wrecked Sea Sprite. Here are some of the phrases that describe the setting.

- * Sun sparkled through water drops clinging to foliage
- * Rocks are wet
- * Waves frothed and foamed below them, full of seaweed and debris
- * Logs lay caught in the rocks
- * Jodi pointed at the debris lodged beneath the log
- * Looping one end around an untilted slab of rock
- * Tree branches and strands of seaweed were tangled with the broken pieces

Your challenge: Find your favorite event in the story and copy phrases here that describe the setting.

Re-read your list of phrases. Let it help you see the background for the action in that section. Then draw a picture illustrating the action and the setting.
